No. 8306—R. F. 209-92, DATED 14TH DECEMBER 1892.

1. Notice is hereby given that the right of selling country spirits in each of the separate shops in the tracts specified in the subjoined schedule, for fifteen months, namely, April, May and June 1893 and twelve months of the official year beginning with 1st July 1893 and ending with 30th June 1894, will be put up to public auction on the dates and at the places named in the said schedule, by the officers therein mentioned.

2. Each bidder at the auction will deposit a sum of Rs. 60 previous to bidding. The shops will be knocked down to the approved highest bidder above the upset price mentioned in the aforesaid schedule, subject to the formal confirmation by the Deputy Commissioner who will be at liberty to accept or reject the bid at discretion without assigning reasons for the same. Such formal confirmation will be tantamount to an acceptance of the bid. Parties intending to bid must attend either in person or by duly accredited agents. Should there be no bid above the upset price, the officer conducting the sale may lower the upset price at his discretion.

3. As soon as the auction is completed, the deposits made by the unsuccessful bidders and not forefeited as hereinafter provided will be returned to them. As the auction proceeds, the person whose bid is accepted for each shop shall at once deposit a sum

equal to $\frac{5}{8}$ths of a month's rent for that shop. Should he fail to do so, the deposit made by him under para 2 will be forfeited, the shop will at once be put up again on the above conditions, and he will be debarred from bidding again for the same or for any other shop.

4. Persons to whom shops have been knocked down, and who have made deposits as provided in paras 2 and 3 shall also, within seven days from the date of the auction, deposit such further sum as, with the first and second deposits, will make up an amount equal to three months' rent of each shop knocked down to them; and shall take out licenses in the prescribed form, on the conditions hereinafter set forth. On the failure of any person to make the deposit, or to take out licenses as aforesaid, the shop or shops will be resold at the risk of such person, or if the auction hereby notified has already been completed, will be otherwise disposed of at the discretion of the Deputy Commissioner. In the case of purchaser's death after the confirmation of the sale, it will be binding on his heirs or assigns.

5. Re-sales effected under para 4 will be at the risk of the defaulting bidder who will forfeit all gain; and in the event of a loss by resale, he will make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case, the forfeited deposit will be deducted from the loss arising from the resale, and the remainder, if any, will be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by resale, the whole of such deposit will be credited to Government.

6. A statement showing the details of the consumption of liquor at each shop will be shown to the intending bidders at the time of sale.
